

TABLE 10:—MALES AND FEMALES AT WORK IN EACH INDUSTRY OR SERVICE, DISTINGUISHING THE PRINCIPAL OCCUPATIONS WITHIN THAT INDUSTRY OR SERVICE.

NOTES.

CODE NUMBERS:—A complete list of Industries, with code numbers, is given on pages 102-3 and a complete list of occupations on pages 99-101. In the following table code numbers corresponding to those on the lists are shown opposite each industry and each occupation or group of occupations. Industries and their respective code numbers are shown in heavy type; groups of occupations within each industry are shown in italics and the principal occupations within each industry are shown in ordinary type.

PRINCIPAL OCCUPATIONS WITHIN EACH INDUSTRY:—These are arranged in order of Code Number, irrespective of the number in each occupation. Where two or more occupations have been added together and shown under a general description a (†) has been inserted at the side of the Code Number. For example, on page 67, Industry Code Number 051, Cooperages, the occupationally description "Other Skilled Workers" (Code Number 072) includes any skilled Wood Workers in the Industry except those specifically mentioned (Coopers). The description "All Other Occupations" which covers any occupations in the industry which are not specifically mentioned is shown without Code Number reference.
