

## APPENDIX

## SUBURBS

At previous Censuses, District Electoral Divisions (D.E.Ds.) outside legally defined cities and towns normally comprised groups of complete townlands. The recent revision of the boundaries of D.E.Ds. in Dublin County (See page 165) resulted in the division of a considerable number of townlands between two or more D.E.Ds. Most of these townlands are in the suburban areas adjoining Dublin County Borough and Dun Laoghaire. For the purpose of the definitions given hereunder for Dublin Suburbs and Dun Laoghaire Suburbs, all that part of one of the townlands in question within a D.E.D. is treated as if it were a complete and separate townland.
